November 2019 ASRDA President's Message

It is now November and we have officially entered the holiday season. This is probably the busiest time of the year with holiday decorating, hosting or attending holiday parties and family gatherings, making or shopping for gifts, and trying to remain stress free through it all. Square dancing regularly and laughing with friends can really help decrease stress and strengthen your immune system. Make sure to make time for dancing.

Over the past month I have been heartened to see so much cooperation between ASRDA clubs and Associations.

Come N' Take It's demo dance on the square in Gonzales brought dancers together from all over ASRDA and showed the public that square dancing is still alive and well. Members of FunDancers, some independent dancers, and two couples from Shirts'n'Skirts helped the Alamo Area SRDA with their demo dance at "Night in Old Converse." Five FunDancers even participated in the Converse parade. Angels from assorted ASRDA clubs have stepped up to help angel at Canyon Lake's Plus lessons. Not only is Wayne Weston teaching his mainstream stream students who have been dancing for a year, but he also teaches ten dancers from Country Cuzzins who drive to Canyon Lake to take lessons every week. In October, interclub cooperation culminated with dancers from all the clubs participating in ASRDA's "Halloween Dangle" program. Club presidents were very excited to work with me to encourage visitation to clubs hosting Halloween dances and make sure dancers who completed their signature cards received dangles.

When I became ASRDA President, I told the delegates I would make sure they had the agenda for the upcoming delegate meeting a minimum of two weeks before the delegate meeting so they could review the agenda and any accompanying information prior to the meeting. It is EXTREMELY important that all delegates and club presidents review the agenda and the accompanying attachments this time. The Publicity Reimbursement Guidelines will be presented at the meeting. The delegates need to have read it because we will be voting on whether or not to accept it as written or accept it with some changes. We will also be discussing the budget and some other issues that will require a vote. We will not have time for the delegates to read the information for the first time at the meeting. Everyone needs to come prepared. I suggest the delegates share the information with the club presidents and possibly their clubs to insure the delegates votes are consistent with what the clubs want. The meeting will be beginning at 1:30 pm on Saturday November 9th followed by a Mid-Tex committee meeting.

Our annual Teen Scholarship dance will be on Saturday, November 9th at Hyde Park Christian Church in Austin after the delegate meeting. Do you remember all the food and fun you had at our Luau dance? Well, this year's Teen Scholarship dance will have pizza, hot dogs, chips, and soda donated by local

businesses. We would like any dancer who is interested in bringing a dessert item to bring one that was enjoyed as a teen (can you say “moon pie?”) To complete the teen theme, you are encouraged to come dressed as you did when you were a teenager OR your interpretation of how teens dress. Of course, square dance attire is always welcome.

Brad Caldwell and Chet Miles have worked hard putting together the square dance portion of the program for the Teen Scholarship dance. They have coordinated with the callers teaching mainstream lessons to create an hour of student level dances that all students currently enrolled in a mainstream program can successfully dance. PLEASE ENCOURAGE ALL OF YOUR STUDENTS AND NEW DANCERS TO ATTEND THE STUDENT LEVEL SESSION! I cannot stress this enough. Last year’s showing of students was pitiful. We want to get our students integrated into the square dance culture as soon as possible. Promote the dance by offering a ride to the students. Tell them there is free food and used square dance clothes that are available and free to students. Tell them they will meet other students and experience dancing to another caller. Tell them that this dance will show them what it is like to attend a weekend dance. Even though all proceeds go to the Teen Scholarship fund, you can tell the students whatever they donate is up to them. If they think that dinner and dessert, an hour of dancing, and free clothes is only worth \$5.00, so be it. Just get them to the dance and be welcoming and supportive of them once they are there.

In my last two President’s messages, I talked about making square dancing more visible and appealing to the non-dancer. In this message I will share another pearl I picked up at Nationals as well as reinforce a post by caller Stephen Cole that you may have seen on Facebook. Basically, to get folks interested in square dancing, we shouldn’t “sell” square dancing per se but rather sell what square dancing provides and how that meets a need. The example given in Stephen’s FB post was that a person goes to a store to buy a drill bit – not because he wants to buy a drill bit but because he needs to drill a hole. People may not be looking to learn square dancing but they may be interested in making a new group of friends, getting exercise to lose weight and/or improve cardiovascular status, traveling and meeting new people, staving off osteoporosis, or decreasing stress or depression. Take these personal “needs” into consideration when talking with potential students. Also, your marketing efforts might be more successful if you target a group of people that might have a similar need. An example would be highlighting exercise, weight loss, and cardiovascular fitness when advertising at a gym or exercise group for people 50 and above or a weight loss group. Another example could be targeting newly divorced or widowed individuals such by emphasizing the friendship and relationship component of square dancing. If you are targeting teens, talk about offering an alternative PE credit and the teen scholarship opportunity.

Don’t forget to mark your calendars for ASRDA’s Mid-Tex Festival on May 8th and 9th, 2020. Charlie Robertson is calling and Pat and Joe Hilton are cueing. Flyers will be out soon. The Mid-Tex Committee has been working really hard to create a festival like none you have attended. They made a fantastic schedule with more dancing than has been offered in the past and a few surprises as well. Please plan to attend.

I wish all of you a happy and safe holiday season and will see you on the dance floor soon.

Brooke Peters, ASRDA President

COME N' TAKE IT

Fall is finally here, and Thanksgiving is just around the corner! Then Christmas will be here and 2020 before we know it. We at Come N' Take It Squares hope your holiday season is off to a great start and will be a perfect time with family and friends.

We want to say a huge "thank you" to all who came to dance with us on the square on October 5 as part of Gonzales's annual Come and Take It celebration. We had over three squares and some enthusiastic audience participation. Wayne Weston did a great job of calling. This is a great way to promote square-dancing, have some fun, and participate in a small town celebration commemorating the beginning of the Texas Revolution. Thanks to all who participated!

Greg and Linda Julius hosted our annual pot luck dinner in their historic home on the other square after we danced. Thanks to them for their hospitality. Also, we appreciate Calvin and Ruby Buesing providing barbecue, beans, and other goodies as the basis for our pot luck feast. Thanks to our guests who also contributed delicious side dishes and desserts. An excellent meal was enjoyed by all!

Josh Sackett is still recovering from his tractor accident and is making good progress. He is able to put weight on his foot, so that means he can walk and he can eat solid food now, so he is making progress. We wish him and Neva continued progress in this long road to recovery.

If you get this newsletter before Monday, October 28, come join us for a festive Halloween dance. Costumes are welcome but not required. Chet Miles is calling, and we may have some spooky surprises!

In November, we will welcome Nelda Eaton on November 4; Wayne Weston on the 11th and 18th; and Al Frazier on the 25th. Sounds like lots of good calling! Please come join us!

Come N' Take It Squares dance on Monday at 7:30 at the Presbyterian Church in Gonzales, 414 St. Louis St. Please come visit any Monday! You are always welcome!

FUNDANCERS

The FunDancers have been busy this past month. We are increasing our visibility in the community through demonstration dances, parades, developing a business card with the FunDancers logo on it, and developing a website as well as having some great dances.

On October 5th, FunDancers partnered with the Alamo Area SRDA to do a demonstration dance at “Night in Old Converse”. Converse is 10 miles from Schertz so the residents are potential students for our mainstream dance lessons in January 2020. We had 16 demo dancers from 3 clubs and some independents – Belles and Beaus, FunDancers, and 4 dancers from Shirts ‘N Skirts came all the way from Georgetown! Harold Dilshaw from Herman Sons was the caller. We demonstrated a few dances and then got the audience up to dance. Flyers and FunDancers’ new business cards with information about upcoming lessons were distributed to the audience and new dancer participants.

Earlier that day, five FunDancers participated in the “Night in Old Converse” parade. Bob Martens was nice enough to offer his truck. Joann and Bob Peevehouse, Gale Scheilber, Bob Martens, and Brooke Peters met early to decorate his truck. The parade honored first responders and veterans so participants were asked to use a red, white, and blue theme. The night before Fay Wheatley and Brooke Peters made little pouches with candy and the FunDancers’ business cards in them to throw to parade spectators and finished up the “lessons banner” that was displayed on the sides of Bob’s truck. Even though it was extremely hot that morning, we all had fun.

A big “Thank You” goes out to Sue Ridgway who helped make the FunDancers business cards happen. She redesigned the FunDancers logo to include a woman in a

long skirt rather than the traditional short square dance skirt. She also designed the business card with the logo and reasons square dancing is fun on the front and information about our January lessons on the back. She and Brooke Peters are now designing the float the FunDancers will be using in the Schertz “Holidazzle” Christmas night parade on 7 December in downtown Schertz.

FunDancers hosted Bronc Wise on October 6th. The turnout was fantastic! We had 8 squares! Bronc is a fantastic caller and everyone had a great time. He even called an A-Tip at the end of the dance to the delight of our A dancers.

The ASRDA Halloween week was kicked off on 27 October with the first Halloween dance in the series. Dancers who were interested in earning a Halloween dangle picked up their Halloween dangle signature cards and got their first of three signatures for their Halloween dangle. Bob Asp was the caller and ghosts and goblins really enjoyed themselves.

Our callers for November include Brad Caldwell on November 3rd, Chet Miles on November 10th, Joey Duhamel on November 17th, and John Kephart on November 24th. **WE WILL BE DARK ON 1 DECEMBER** because of Thanksgiving weekend.

FunDancers has a different caller every week and 60% of them are national callers. The remaining talented callers come from the Texas cities of Houston, Dallas, San Antonio, Liberty Hill, Georgetown, Waco, Texarkana, Canyon Lake, Livingston, and Mission in the Rio Grande Valley.

Come join us for a Sunday evening of dancing in the Fun Palace in Schertz, TX. We hope to see you soon!

WHEEL-N-DEALS

Wheel-N-Deals had a fantastic turnout for our Oktoberfest dance. We had 50 dancers including our students. The students were encouraged to stay to eat German food and watch the German folk dance group perform. We want to start incorporating them into the club so they will join our club when they graduate. As usual there was more than enough German food for everyone and dancers were encouraged to take food home. A big "Thank You" goes out to Effi Brandenburg and Mickey Rivere who were the organizers of this dance.

Much to our surprise and delight, we now have 11 mainstream students. A new couple who danced 20 years ago showed up at lesson #3 and asked if they could join the class. They are doing great as are the students who come regularly. One of the improvements we have made to our lessons is having healthy food available for students and dancers. Originally it was to encourage people who are still working but want to take lessons to come right from work and be able to eat a light dinner before or during lesson breaks. It has turned out that the regular dancers and guests like it too. Every week we offer at least 2 kinds of sandwiches, a fruit or vegetable tray, deviled eggs of some sort, chips and dip, and dessert.

Many of our dancers are helping out other clubs. A group of dancers traveled to Gonzales to help with the "Come 'N Take It" celebration on the square. They, along with dancers from other clubs, made the demo dance a huge success. Wheel-N-Deals' Plus level dancers are doing their best to angel for Wayne Weston's Plus class at Canyon Lake. Hopefully those of us who have been unable to help because of other commitments will be able to angel part-time.

One of the other commitments is Wheel-N-Deals' visitation schedule. We recaptured our banner at Waterloo Squares

on October 15th. Six of the eight were Plus dancers so there were 6 potential angels who were not available to help out at Canyon Lake.

Gracie Roberts, our monthly hostess for "Game Night," put new flooring in her house in October. As a result, we were not able to have our monthly potluck and game gathering. "Game Night" will start back the first Tuesday in November. We are all looking forward to seeing Gracie's new floor.

At the time this is being written, we have not had our annual Halloween dance so pictures of the dance and the Halloween Dangle recipients will be posted in the November newsletter.

Happy dancing and we hope to see you all soon!

WATERLOO SQUARES

As we approach our sometimes hectic and exhausting holiday schedule, we are all so thankful for our many blessings and our square dance friends. We are looking forward to seeing and celebrating the season with you.

Our November schedule includes callers you love to "square up" with: **November 5-Nelda Eaton, November 12-Wayne Weston, November 19-Les Hughes, and November 26-Dale Smith.** Waterloos dance from 7 -9pm every Tuesday night at the South Austin Senior Activity Center on 3911 Manchaca Road. We begin at 6:30-7pm with line dancing and then again between tips.

We are enjoying our Thursday night Mainstream and Expanding/Exploring PLUS lessons. Our lessons are held at Shepherd of the Hills Lutheran Church, 3525 Bee Caves Road. Mainstream class is 7-8:30pm and PLUS is from 8:30-9:45. You can dance for free while you angel our new dancers and then pay a small fee each night to Expand and Explore your PLUS skills as

WATERLOO SQUARES (Continued)

Brad Caldwell challenges us in fun ways to improve. **Waterloo Spring, 2020 Lessons will begin early in January.** We are beginning to advertise and reach out to possible students NOW. You will see flyers soon.

For the month of November, Waterloos will be bringing non-perishable food items or money to club dances and lessons to support the Shepherd of the Hills Lutheran Church "BREAD FOR ALL" drive to help those in need during the holidays. We are pleased to be helping in their efforts.

Our 37th Anniversary Dance will be held on Saturday night, March 21 at Shepherd of the Hills Lutheran Church. Our caller will be Art Lavigne from Hagerstown, MD and the Cuers are Lucy and Jerry Pate. Art called for us in March, 2019 and was excellent. We hope you all can come. More information about other activities that night will be forthcoming. Happy Thanksgiving.

SHIRTS 'N' SKIRTS

October was a great month for square dancing no matter which club or clubs you may support. We had eleven members attend the Gonzales Come And Take It Festival and participate in the demonstration dance on Oct. 5th. It was a great experience and well received by an enthusiastic audience, many who got up and danced with us for one of the tips. Thanks to Wayne Weston for calling the dance and to Calvin and Ruby Buesing for all the arrangements as well as providing a wonderful meal for us after the dance.

Our annual club picnic was well attended and both members and friends enjoyed an afternoon of food, fun and fellowship.

We are now looking forward to our annual Halloween Dance on October 30th.

Brad Caldwell will be our caller along with Lucy and Jerry Pate as our round dance cuers. Please plan to join us for a great evening. Check out our flyer for all the details.

As we move into the holiday season, we will be dancing our regular schedule with the exception of November 27th when we will be **DARK** for the Thanksgiving Holiday.

We will start begin Mainstream lessons on January 8, 2020. Lessons will be from 6:30 - 7:30 pm followed by our regular dance from 7:30 - 9:30 pm. If you know of potential students, please invite to join us in the new class. Also Angels are welcome to assist the students and maybe even learn a few new things also. We meet at Christ Lutheran Church, 410 Luther Drive in Georgetown, TX.

EDITOR'S MUSINGS

I have noticed that many of the area clubs are planning to start beginner square dance classes after the first of the new 2020 year. If you are like me as the holiday season approaches, I find my "to do" list beginning to grow exponentially. One of the things that we all should add to our list is to take a look at our clubs and see what we can do to not only encourage new students to join but also what we can do to retain members and encourage visitors to come to our dances. This month's RCS includes an "Open Letter To Central Area Dancer" which addresses these very concerns. Please read the letter and let's see how we, individually, can encourage new dancers.

Dear Central Texas Area Dancers,

As callers, we believe that a square dance community is a "living, breathing entity" that requires careful nurturing in order to prosper and grow. There are currently a little more than 9 squares of new dancers learning our activity in the area including Austin/Georgetown/Killeen/San Marcos. The greatest concentration of these dancers is in the north part of the area with 22 students at Sun City Sundancers, 12 at Hill Country Squares, and 16 at Killeen Kickers. If we can retain and train all of these new dancers it would mean adding 50 new people to our area programs. That is great news for all of us.

New dancers are the lifeblood of our activity and should be cherished and nurtured by each of us. Everyone of us was a new dancer at one time who was helped along the way by several experienced dancers. For the long-term good of our square dance community, we believe that those dancers who currently dance the Plus program should still support both the beginning dancers, as well as those who are not beginners but are still dancing the Mainstream program. If we project the attitude that MS dancing is inferior then we are telling the new dancers by our actions that MS really isn't any fun. When we no longer support the clubs that helped us in learning both MS and Plus because those clubs do not offer enough Plus tips, this is the message we are sending. It takes the entire square dance community working together to support the new students and to maintain a healthy square dance program through all levels of dancing.

As callers, we subscribe to the theory that dancers should regularly attend a dance at the highest level they have achieved, as well as attending a dance at least one level below that in order to (1) "give back" to and support the square dance community and (2) solidify and enhance the dancer's skills at all levels. In other words, an Advanced dancer who should attend one Advanced dance a week, as well as attending one Plus or MS dance per week. A dancer who has completed the Plus program should attend a Plus dance every week, as well as an MS dance that feature both Plus and MS tips and dance some of each of those programs.

There are logical reasons for this approach. Our dancing community requires all of us to provide care and support for dancers at all levels in order to have a vibrant square dance environment. In addition, although it is possible to climb rapidly through the successive levels, the higher one goes, the more important the expertise at the lower levels becomes. The lower levels are the foundations for the higher programs. If you build on a shaky foundation, you will get shaky results. The surest way to a stable foundation is to dance the Basic calls and the rest of the Mainstream figures regularly with a variety of callers and a variety of other dancers.

Our question to newer dancers should not be, "when are you going to learn plus so you can dance with us?", but rather "where are dancing this week so we can come dance with you?" Our focus should be to create stronger dancers from the start by sharing opportunities for additional floor time. Stronger dancers at all levels provide benefits for everyone, and it takes all of us working together to create a healthy dancing community that will last long into the future.

The following is taken from the Sets In Order magazine that was dedicated to square dancing. Note that it was published in 1966. The issues we are pointing out have obviously been addressed for many years, but we need to be reminded on occasion if we want this wonderful activity to not only continue but to thrive.

15 WAYS TO KILL A SQUARE DANCE CLUB

** from "Sets In Order" March 1966**

1. **Don't Attend**- They will have enough without you.
2. **Don't Pay Your Dues** - The club treasury is loaded. They don't need your money.
3. **Ignore All Guests** - You didn't invite them so why be nice to them?
4. **Dance Only With Your Own Clique** - After all you are the only ones who know how to dance.
5. **Complain** - Gee Whiz, can't they do anything right?
6. **Gripe About the Club Officers** - But never do anything to help.
7. **Never Serve on a Committee** - And if you are put on one, ""nuts" to them.
8. **Deride the Caller** - You know more about dancing than he does.
9. **Never Invite Guests** - It's too much trouble; but if you do be sure they are below the level of your club.
10. **Don't Learn Anything New** - You know enough to get by; how can you be sure something new will be fun?
11. **Jabber and Talk While a Dance is Going On** - You're not interested in what the caller is saying, so why should anyone else be?
12. **If Anyone Has To Sit Out a Dance, Be Sure It's a Guest** - It's your club isn't it?
13. **Don't Smile** - Show everyone you aren't having a good time.
14. **Belittle Your Dance** - Tell everyone how good the other dances are.
15. **You're Always Right** - Everyone else makes mistakes, not you.

And if this doesn't kill your club, you may find that some of your fellow members are ready and willing to eliminate you.

We appreciate your attention to these thoughts from your callers. See you on the dance floor!

Sincerely,

Brad Caldwell, Dan Clairmont, Gary Bible, Chet Miles and Wayne Weston.
