This class is an introduction to the Foxtrot & Waltz Round Dance figures and routines. We will start with Basic Figures and after mastering these figures we will incorporate them into dances. January 14th will be the last day you will be able to join this class. These lessons will be held at least one day per week and they will be progressive. The man will learn how to lead his partner into an enjoyable evening of dancing these two Smooth Rhythms, that can be utilized at the many dances here in the area.

We look forward to seeing you on Tuesday Evening, the 7th of January, for this graceful rhythm and putting “U” into “FUN”.

This class will be limited in size so if you want to attend please contact the us to reserve your spot. If you would like more information in reference to this class, please feel free to contact -
