Who We Are

The Austin Square and Round Dance Association was formed about 74 years ago as part of the Austin Parks & Recreation Department. The two main goals are to:

- promote square and round dancing in the greater Austin area and
- host three association dances annually with the assistance of member clubs.

What We Do

1. Provide a calendar for all clubs to use when scheduling special dances; thus preventing conflicts in scheduling special dances.
2. Publish a monthly newsletter, *Round the Capitol Square*, and delivered electronically as well as being posted on the ASRDA.org.
3. Maintain a website promoting square and round dancing to the non-dancer. Additionally, practicing dancers are provided current information that includes a list of scheduled special dances and flyers, club information, ASRDA policies, photos, and more.
4. Maintain a Facebook page, *Austin Square and Round Dance Association*, on which all ASRDA clubs may post pictures and flyers.
